

## Palmer Historical Society Meeting Reminder

Our next program will be Wednesday February 16, 7:00 p.m. at the Palmer Library. Chuck Logsdon will be making a presentation on John Kennedy's visit to the Alaska State Fair in 1960. As always there will be refreshments and door prizes, so please join us.

Speaking of joining, think about renewing your membership at the meeting and get a copy of the mystery disk of photos and archival materials from the Stroup collection mentioned in the February 1<sup>st</sup> issue of the *Frontiersman*.
