IF WALLS COULD TALK
Stories from the Colony House Museum

Every day is historic when you volunteer at the Colony House Museum!

Our docents meet & greet, listen & learn, promote & educate all while wearing a smile 😊

Join the fun as our docents share humorous (hi)stories of their times at the Colony House Museum. There’s sure to be many laughs!

As always History Night is open to the public, free, & full of fun!

Refreshments and door prizes, catching up and sharing stories – it keeps history alive – Bring a friend!

Once upon a time there was a happy person who loved to share Palmer History…………………. And they volunteered.

The beginning of a beautiful story
**Annual Docent Gathering is coming up!**

Our docent gathering is a great time of sharing, connecting & learning.

Barb Thomas our super-duper lead docent will go over the ins & outs what it takes to volunteer.

Past docents share highlights of the summer along with helpful tips & tools for our upcoming tour season.

You will love to learn as Gerry Keeling gives a ‘show & tell’ history of some of our treasured items in the museum.

This is the perfect time to come & hear what it takes to volunteer as a docent – we would love to add you to our docent team! No experience necessary!

Refreshments will be served because ‘it's not a meeting if you aren't eating’ 😊

**See you at the Colony House Museum -April 10th at 1:30**

**TOP 2 SPRING CLEANING TIPS**

2. **FEEL GOOD!**

**We need your help!**

Storage has been a constant topic of conversation for a couple of years. We need a solution that houses our collection under one roof or at least on one property.

The Board of Directors has been brainstorming solutions & here’s where you can help! We are looking for a safe place to put a connex or two, or a storage building. Perhaps you know of a piece of property or a building that would work to help preserve Palmer History.
We are thrilled to WELCOME Cindy Richmond as Archive Assistant!

Thank you, Cindy, for your part in preserving Palmer History! Future generations will be as grateful for your service as we are!

We love volunteers!

**PHS receives inquiries - Do You Know?**

In 1917 two homes were shipped from the Gordon Van Tine Company to Alaska and one was built at Kalsin Bay and one was built at the Kodiak Experiment Station. The house built at the Kodiak Station is MIA.

I read that the station was closed in 1931. Do you know where or if that house was moved or how it met its demise?
